

Dear KY Marketer,

KYPERC is pleased to announce that on January 1, 2012 we will be renewing the **Propane Appliance & Heating Safe Installation Rebate Program**

The program will offer consumers and builders: \$300 for safety checked installation of a propane water heater in new construction or that replaces an existing electric water heater; \$300 toward the safety checked installation of a propane range or cook top in new construction or that replaces an electric range or cook top; \$300 toward the safety checked installation of a domestic propane clothing dryer in new construction or that replaces an existing domestic electric clothing dryer; a \$150 rebate toward the safety checked installation of a propane water heater to replace an existing propane water heater and a \$600 rebate toward the replacement of an existing electric primary heating system or the installation of a propane primary heating system in new construction. The maximum rebate per customer location is \$1,500. Funding is limited and the program will terminate when the monies are depleted. ***Old Rebate Forms will not be accepted for the 2012 Installation rebate program.***

Specific guidelines and requirements for the program are included in the enclosed Agreement. If you wish to participate in the 2012 program, please review, sign, and return the agreement to the KYPERC office at your earliest convenience. Once your agreement is received, we will send you materials for the filing of rebate requests. Your firm will not be eligible to participate in the program without a signed agreement on file in the KYPERC office.

Funds will be dispersed on a first come first serve basis. Please check www.choosepropane.com for an update on the balance of available funds. For any specific concerns or questions regarding the program please feel free to contact us.

Sincerely,

Tom Underwood
Executive Director
